51 North Park Street  
Lebanon, New Hampshire 03766

As you commence your new life's adventure as a resident of the Woodlands located on the campus of the Alice Peck Day Memorial Hospital (APD), we welcome you to the City of Lebanon, New Hampshire, hailed as the Best Small Town in the United States due to its livability and quality of life that it affords.

Alice Peck Day Memorial Hospital has been an institution here in the city for the last 86 years. As a community based hospital, its 500 staff members provide a full range of healthcare services. They are committed to providing excellent medical care in a cost-effective setting. The patient's health is at the heart of their healthcare mission.

Lebanon is the quintessential New England community. Its picturesque hillsides, rivers, lakes and ponds offer numerous walking and hiking opportunities. The nearby nature trails adjacent to APD campus such as the Harvest Hill Loop, Lizzie Elliot Loop and the Woodland Loop afford very convenient trail opportunities. For longer hikes, the Northern Rail Trail runs from the downtown area easterly through the neighboring communities of Enfield, Canaan, Grafton and beyond for nearly sixty miles.

The City's Recreation Department offers many programs of interest from Farmer's Markets on the green to Savvy Senior Trips. The Upper Valley Senior Center is situated in the downtown area and also has numerous programs available. The city boasts two public libraries, the Kilton Library in the west side of the city and the Lebanon Public Library in the downtown area. The city funds the Advance Transit bus service that provides free convenient transportation, both within the city and to the surrounding communities. The Dartmouth Hitchcock Medical Center in Lebanon provides tertiary care to the Upper Valley residents. The City has many restaurants at which to dine as well as a vibrant commercial sector for all of your shopping needs.

We hope that you will avail yourself to these and many other services that the city has to offer and participate in the community. For additional information, please visit us at the city's website ([www.lebnh.net](http://www.lebnh.net)).
